All other finishers will receive 3 points. Laps are also converted to point's e.g: 1st place 30pts plus 15 laps = 45 points

All other finishers after 19th place score 3 points plus their laps. If riders compete in all the rounds, they will be awarded 5 points for each of their dropped rounds as a loyalty incentive (this applies to the Club Champs, Slow Pete Series & The Rock Oil Championship)

- **To finish you MUST be timed in** to appear in the results
- **In the event of a machine failure**, you can only qualify for a finish if you cross the finish line by completing the course from where your machine failed. **[A MACHINE MUST NOT BE TOWED IN OR TAKEN VIA A SHORTER ROUTE]**
- **The Club reserves the right** to promote a rider to a higher class if he or she is riding above the standard for that class
- **It is a RIDER'S responsibility** to ensure that they have entered the **CORRECT CLASS**. Points **CANNOT** be moved from one class to another
- **Riders wishing to promote or demote** themselves can only do so with the permission of The Club Secretary and must be requested in writing
- **Riders finishing** 1st, 2nd or 3rd in a Championship will be promoted to the next highest-class next season, this includes up to 5th in Sportsman and Veteran classes
- **Riders will take the consequences** of their own actions and of any persons associated with them
- **Pits and re-fuelling area** There must be no smoking, no children (under the age of 18) or dogs in the pits or refueling area. All engines must be switched off when re-fuelling. Failure to comply will result in the associated rider being extracted from the event
- **No rider** is to allow anyone associated with them on the back of their bikes at any of our events
- **Children & Dogs** must be kept at a safe distance from the track side at least 30 feet at all times.
- **Course cutting**, excessive verbal & physical abuse **WILL** result in instant **EXCLUSION** from the event
- **Outside assistance** means under no circumstances should goggles / fuel / refreshments / maintenance & repairs be done trackside other than by the rider him / herself. Pit crew / helpers can only carry out the above-mentioned tasks in the designated areas. The only outside assistance given to the riders must be from an official / marshal and this only to a limited degree
- **All riders** must obey any orders given to them by Marshals and the Officials **AT ALL TIMES**
- **Any complaints** during the event **MUST** be voiced to the clerk of the course on the day or they will **NOT** be considered
- **The minimum age** to enter an Enduro is now 14. But from the ages of 14-16 you must complete a minor consent form and send off with a set of regs, this form is available on the website. If you are 16- 18 the normal booking procedure applies
- **The Club Officials** reserve the right to change the rules or add to them without notice
- **Noise** 94 decibels is the maximum noise level, this will be enforced on a regular basis failure to comply will result in exclusion from the event before, during and after. This is **your** responsibility. This is probably the biggest single issue, which is endangering our sport. If in doubt fit a standard pipe or a pipe that is guaranteed the certificated 94-decibel noise limit
- **Any changes** to the above rules will be discussed at the rider's meeting
- **Failure to comply** with the above rules will result at the very least the exclusion from the event or a possible ban from riding with the CEC in the future. These rules are there for very good reason
- **Results** remain provisional for 7 days anyone wishing to contest them must contact the Secretary

IF YOU DO NOT WISH TO COMPLY TO ABOVE RULES DO NOT ENTER ANY CEC EVENTS
